Forecast for Saturday 13 Mar 2021

Weather: A dry start to the day with some sunshine before cloud thickens from the west to bring scattered showers in the afternoon, these initially falling as snow down to about 400m but soon rising up to 500-600m. The Angus Hills and Ochils may stay mainly dry.

Chance of cloud free mountain/hill tops above 800m: 80% in morning falling 60% as the showers arrive.

Visibility: Very good in morning with only isolated patches of cloud on the tops, then occasionally moderate or poor in snow showers in the afternoon with cloud lowering to 750-900m in the northwest.
